

SALVESEN LOGÍSTICA QUALITY POLICY

SALVESEN LOGÍSTICA, has as its maximum objective the satisfaction of all its clients thanks to the fulfilment of all the requirements, not only those specified by the client and legal or regulatory ones, but also any other necessary to ensure the effectiveness of its services.

Furthermore, continuous improvement and effectiveness of the Quality Management System is Salvesen fundamental objective. That is why all efforts are focussed on the following commitments:

- ✓ Comply with all the requirements, whether legal, contractual or otherwise, that are applicable to us due to our activity, so that our action will not contravene the requirements and legal specifications established by the different public administrations.
- ✓ Carry out our work within a management environment that guarantees the continuous improvement in our processes, our action methods and our relations with third parties, through the establishment and periodic review of our objectives and our quality policy.
- ✓ Promote the understanding and diffusion of our quality policy within the organization, through ongoing training and communication with our employees.
- ✓ Control in an effective manner all our activities, with special emphasis on the quality of our services and relationships with our customers and suppliers and subcontractors.
- ✓ Make public and publicize this Policy to every parties.
- ✓ Consider each of the risks and opportunities that may affect the compliance of our processes.

This Quality Policy is distributed in order to ensure its knowledge and understanding on both, the employees and the other parties of SALVESEN LOGÍSTICA.

This Policy implementation is a fundamental objective of the directorate, and it is the responsibility of all employees to comply with it to ensure transparency and continuous improvement of all Salvesen Logística processes.
